COACH - CONSULTANT - SPEAKER

## About Me

Donishia was born and raised in Auburndale Florida where she continues to reside. She has a Masters degree in Mental Health Counseling from Webster University and a dual Bachelors degree in Business and Human Services from South Eastern University. Donishia is a board member of the chamber of commerce and sits in the adjust board. Both are in Auburndale.

Donishia is passionate about what she does, and with the encouragement from her family she founded Integrity Care, Inc. in 2009 a chain of residential group homes for children in foster care that has been abused, neglected, and or abandoned. In 2016, Integrity Care Inc. was Nationally Accredited by COA.

Donishia is married to Derrick Yarde and works closely in ministry with her husband, where he is the Pastor of Faith Builders Worship Center Ministries, Inc located in Auburndale. Donishia has four beautiful children, Jocquet 22 years old, Sequoya Davis 19yrs old, Antonio Miller Jr. 11yrs old and Kaliah Miller 8yrs old. Donishia is a proud Rotarian, where she became a member of the Auburndale Rotary Club in 2015.

## Expertise:

Donishia has been an entrepreneur and a business consultant in Polk County Florida since 2006. Her fields of experience span from assisting and implementing for profit and nonprofit organizations, including educating her clients on which filing would be appropriate for the business in which they are wanting to start.

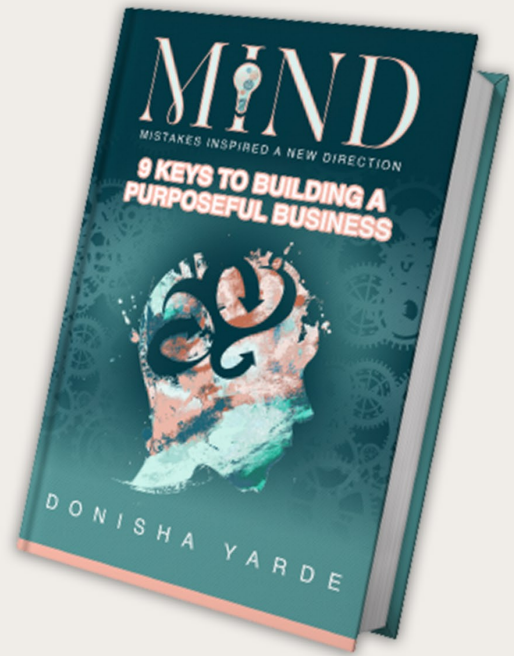

Donisha has expertise in trauma: long term + short term affects trauma has on individuals and how to work through it Business-Business Start up and implementation.

## Business Consultant:

As a business consultant, Donisha has consulted with 50+ individuals, where she developed detailed business plans to drive small or radical changes, organized and execute assigned business projects on behalf of clients (recruiting, payroll, promotional campaigns etc.) according to client's requirements.

Donishia also formulated recommendations and solutions with attention to her client's wishes, capabilities and limitations forming concise reports and provided guidance for any occurring problems and issues.
